This is a petition to help support the proposition of a loading zone right in front of Haydee's Restaurant that will help alleviate the loading situation in the 3100 block of Mt. Pleasant and benefit establishments such as HAYDEE'S RESTAURANT, LEE LIQUOR STORE, PUPUSERIA SAN MIGUEL, ADELANTE, SALVADOR DEL MUNDO ALPHA OMEGA and other businesses in the block The United businesses of MT Pleasant are urging DDOT to comply with the businesses because these businesses mentioned earlier an more businesses are suffering to play the fines from parking enforcement and police officers who have no sympathy toward any of the situations. The fines that are given to the people who park in the zone are in the range of \$ 100.00-\$1000.00 which is clearly an excessive citation. In the 3000 and 3100 block of Mt. Pleasant St there is not a single loading zone for an area with more than 25 Latino business. Compare this statistic with the 3200 block where there are 5 loading zones. There are more than 300 deliveries per week in the 3100 block so as you can see we need all the support we can get. Please help us to get this loading zone.
